GUEST READER – READER FORM

Deadline: November 1, 2021

The Peabody Education Foundation is looking for volunteers from businesses and the local community to be a part of the highly successful *Guest Reader Program*. The program will again be for students in Kindergarten through Grade 5 and will run from January 10, 2022 until May 20, 2022 (excluding any school holidays or vacation weeks).

We are looking for adults who are willing and able to spend 20 to 30 minutes, once a week, in either an ***in-person*** or a ***virtual*** classroom setting, reading to the students. This year we are offering both options because of the uncertainties of the Covid situation and the comfort level of both our readers and our school administration. (The virtual program is one in which you interact with the students via *Google Meet*, *Zoom*, or a similar program that you and your teacher agree upon.)

Reading to children brings enjoyment to both them and you. We hope that you and your co-workers will consider being a part of this wonderful program this year, visiting a classroom, reading aloud to the students and showing them that reading is fun for everyone.

To participate, please complete the form and return it to by November 1. ***(Please feel free to copy the form for co-workers or others who are interested in participating.)*** Please let us know if you have a preference for in-person or virtual reading by indicating so on the enclosed application form

*To help us keep complete records of community participation and so that we may let you know of anything which could impact the program, **we ask that, if you arrange your participation directly with a specific teacher, you still complete and return the attached form** indicating that you and your teacher have discussed this.*
